

Friends of the Gold Coast Public Library

A strong public library benefits the entire community.

Become a Friend and Support Your Library

Who are the Friends of the Gold Coast Public Library and what do they do?

Friends is a non-profit organization that shares the Library's goal to provide our community with opportunities for recreational and cultural pursuits and life-long learning.

All donations help us to:

- enrich the library's collection, equipment, and services
- sponsor special programs for children, teens, and adults
- support and promote the library in our community

Why should I donate to the Friends of the Library?

With your tax deductible donation, the Friends group can continue to contribute to the success of the Gold Coast Public Library by supporting library programs, presenting our own special programming, and funding special initiatives such as the Family Museum Pass Program.

Thanks for being a Friend!
