

## Miss Alex's Guide to STEAM at Home

Easy crafts for kids that are bored at home!

### How To: Magic Milk Experiment

#### Supplies:

- Milk
- Food coloring (the gel don't work as well)
- Dish soap
- Cotton swabs
- A tray or shallow pan

#### Directions:

1. Pour a thin layer of milk in a shallow pan or tray and add drops of food coloring all around in the milk.
2. Dip a cotton swab into the dish soap.
3. Put the cotton swab in the milk, pressing it down in one spot and holding it there for about 15 seconds. See what happens!
4. You can do this over and over using different colors - also experiment with different types of milk and see if there are any changes!
